TESTIMONIAL

Customer is Our Top Priority

We survey all of our clients, the results of which go directly to our CEO.

Gymstory

Kornix Is The Best Digital Agency I Have Ever Seen! Highly Recommended!

I recently hired **Uiexpert** for a custom web development project and couldn't be happier with the results. The team was able to bring my unique ideas to life and create a website that truly stands out.

OUR CAPABILITIES

We can help you with...

Web design / UI/UX · Social media visuals · Infographics · Design systems · Email design · Stationery · Icons · Packaging & merch · Signage · Brochures · Logos & branding · Digital ads · Workflows

BENEFITS

The design subscription that connects you to your dream team

A subscription can alleviate the stress of staffing, managing expenses, or make design calls like a Creative Director. We partner with you to ensure that your design elevates your brand to new levels.

1. On-demand requests
Put all your requests in the design queue in Trello, and we'll knock them out! Yay.

2. Top-notch quality
High-end work from a dedicated team of senior designers that's always available when you need it.

3. Powered by - Webflow
We build every site on Webflow, making them dynamic, accessible, and easily scalable. It's easy for you like Squarespace but better.

4. Fast. Responsive. Reliable.
Get regular updates on your projects and 24 hours to review your designs within 2-3 days.

5. No Lock in contracts
Pay the same every month, no surprises. You can pause or cancel by emailing us and cancel anytime.

6. Great value for money
Get the power of dedicated design team at the price of a freelancer. Plans start at/year, $1,995/m or $5,500/m.

7. Customized for you
We design and build a portal for you. We've never starting from a template unless you want that? You don't, right?

8. Creative pacing
We know when you need a vacation and we pause when you don't.

9. Expert turnovers
We're getting 10+ years of design experience with every request. No hand-holding required.
